

# Application Development and Delivery

## Graduation Requirements

Students will earn the Application Development and Delivery diploma by completing 102 credit units consisting of 1,440 hours of classroom learning over four academic terms plus a 600-hour work integrated learning (WIL) term. Course-based registration allows students to complete the program on either a part-time or full-time basis in a minimum of 20 months. Typical full-time students who take a four-month study break each year will complete the program in 28 months. As per College policy, students must complete the program within six years.
