

Application Development and Delivery

Graduation Requirements

Students will earn the Application Development and Delivery diploma by completing 102 credit units consisting of 1,440 hours of classroom learning over four academic terms plus a 600-hour work integrated learning (WIL) term. Course-based registration allows students to complete the program on either a part-time or full-time basis in a minimum of 20 months. Typical full-time students who take a four-month study break each year will complete the program in 28 months. As per College policy, students must complete the program within six years.
