Joyce Family Foundation Bursary

Application Type:	General RRC Polytech Application (Login Required)
Categories:	Entrance Awards

This fund is made possible by a generous donation from The Joyce Family Foundation, which is committed to providing access to education for youth who face significant financial barriers and have demonstrated the ability to overcome obstacles and adversity. Ten bursaries, valued at up to $5,000 each, will be awarded annually to full-time students entering the first year of any full-time program at Red River College Polytechnic to cover tuition fees. The focus of this bursary program is to assist youth in care. Applicants for the Youth in Care Tuition Bursary will be given priority, with preference extended to Indigenous students. To be eligible, students must be a Canadian citizen, permanent resident, or a protected person as well as a resident of Manitoba and have graduated from high school within the last three years. Recipient selection will be based on a combination of demonstrated financial need, as determined by RRC Polytech, as well as a reference letter from an individual who is aware of the student's personal circumstances and can speak to their resilience in the face of adversity and potential for success in their post-secondary studies. Selected students must commit to working with a mentor throughout their studies. The deadline for applications for current or former youth in care is March 31st. Information and an application form (for the Youth in Care Tuition Bursary) is available from the Futures Forward website: Paying for Post-Secondary School | Futures Forward. Students who are not current or former youth in care are also welcome to apply, but they will be considered only after all Youth in Care applicants have been reviewed, provided they meet the other eligibility requirements and criteria. In this case the RRC Polytech General Application should be submitted, accompanied by the required reference letter. The application deadline is June 30th. Stu and Heather Charles Award

Application Type:	General RRC Polytech Application (Login Required)
Categories:	Financial Need Awards

A $1000 award has been established by Stu and Heather Charles, both of whom are Distinguished RRC Graduates, to support a student entering the Application Development and Delivery program at RRC Polytech. "Red River College is where it all started for us," says Heather. "It was a place that gave us our first opportunity to enter into a new and emerging field and meet 75 like-minded people who were interested in learning more about computers. After graduating, both Stu and Heather went on to successful careers, rising through the ranks of the IT field while serving as longstanding members of the College's advisory committees, and establishing paid co-op opportunities for students at their places of work. Stu spent the last 17 years as Chief Information Officer at the Workers Compensation Board and is currently a member of the RRC Board of Governors. Heather's career includes HR experience and application development at Manitoba Public Insurance, and as manager of the project management career centre and software developers career centre at Great-West Life. Today Stu and Heather are passionate to give back and support the program and school that gave them so much by creating an opportunity for future professionals. This award is available to a Grade 12 graduate who,

in the year following their graduation, is entering the Application Development and Delivery program at RRC Polytech. Eligible applicants must be admitted to the Application Development and Delivery program as of the application deadline. Recipient selection will be based on high school average and financial need. Preference will be given to a female applicant. Application deadline is September 15th. Please note the name of the award to enter on the application.
